Youth, the Radical.
From the Detroit Free Press.
Admiral Sims said at a dinner party
in New York:
"Youth is always an extremist.
Take, for instance, the battleship
question. We middle-aged sailors are
just now asking ourselves exactly
how much the submarine has impaired
the value of the battleship, but youth
has got the question settled for good
and all.
"What is the value of the battle-
ship today?" I said to a naval cadet
at a luncheon.
"No value at all," he answered.
"Then he thought a moment and
added:
"Of course, she's got a very nice
deck for dancing."

Merely a Suggestion.
From the New York Sun.
"I think I shall have my drawing
room done over," remarked the host-
ess. "The color scheme is so trying to
my complexion."
